PRE-PLANNING

Many families find peace of mind in pre-planning their final arrangements. In pre-planning, there are several things to consider. The first step in the process is simply to identify exactly what your final wishes are and then make those wishes known. At Canby and Molalla Funeral Chapels, we can create a pre-arrangement file for you and there is no charge for this service.

The next step is to pre-pay for those services. This is optional and can be handled at the funeral service establishment of your choice. In Oregon, all funeral service providers are required to place pre-paid funds into a funeral “life insurance policy” or a funeral trust account where they reside until time of death.

Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are made of corrugated cardboard.

IMMEDIATE BURIALS * (\$3,045 to \$7,520)

NOTE: An "Immediate Burial" is when our driver transports the body to the grave at a time mutually agreed upon by our staff and the cemetery without the involvement of family. An Immediate Burial is not a Graveside Service and no family is present. If the family wishes to be present, only to witness the burial from a distance, they must add the "Scheduled Delivery of Immediate Burial" charge from the General Price List. If family, friends or clergy wish to be present at the grave (perhaps to say a few words or have a prayer) it is no longer an Immediate Burial and has now become a Graveside Service and will be charged accordingly.

Our charge for immediate burial (without ceremony) includes: basic services of funeral director and staff, overhead, securing necessary permits and authorizations, removal of remains from place of death, care of remains until burial is completed (three days refrigeration included), transportation to cemetery. Immediate burials are scheduled at the convenience of the funeral establishment and the cemetery. The family is not present.
