Prices subject to change without notice

The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing describing the funeral goods and services you selected.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF AND OVERHEAD \$1,395

This fee includes consultation with the family or responsible party; staff and facilities to respond to initial requests for service; coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased; securing official documents and necessary registrations; sheltering of the deceased. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.). Additionally, this fee or a portion of it may be added to the cost of using facilities, staffing or services when our funeral home has not taken possession of or sheltered the body.

EMBALMING \$595

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
