General Price List

These prices are effective as of 5/28/2025

The goods and services in the following list are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services selected.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

A casket or alternative container is generally required unless there is a transfer without common carrier to another funeral director. Each item shows the services to be rendered by our funeral service staff under that heading and the price for those services is included in the price of the item; there will be no added fee for the use of our funeral service staff besides the prices shown for the services selected.
