**Basic Services of Funeral Director and Staff and Overhead.....\$3,135**

Our services include: Twenty-Four hour accessibility; conducting the arrangements conference; planning and supervising all funeral service details; consulting with family and clergy; shelter of deceased up to three days; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

**Payment Policy**

Kraft Sussman Funeral and Cremation Services has established a uniform payment policy to all families that prevents any misunderstanding which requires that all fees be paid for prior to services, viewing times, burial or cremation. Payment for our merchandise is due before ordering or use of merchandise. The following are acceptable payment options:

- Personal Check, Money Order or Bank Check. Sorry, but third-party checks are not acceptable. You must be a signer on the account that the check is being written on.
- VISA, MasterCard, Discover and American Express.
- Insurance assignment. This option is available once the insurance company has verified the assignment ability and the beneficiary of the policy. Policies that are under two years of age are often contestable and cannot be accepted. When acceptable insurance has been verified, all beneficiaries must sign the assignment provided in front of a notary. Kraft Sussman Funeral and Cremation Services has a notary available at no charge for this purpose. A \$365 insurance assignment fee will be added to the statement. The original policy must be provided, and the beneficiary must sign within 24 hours of verification.

Kraft Sussman Funeral and Cremation Services does not accept future payment from “Estate Funds”.

**Embalming.....\$930**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
