Why Have A Service?

Since the beginning of time, we have set aside time and resources to honor the life and passing of someone dear to us. A well-planned memorial service can be a source of great comfort to those left behind.

Sadly, many memorial services today have failed to reflect the uniqueness of the one who has passed or have failed to provide meaning and comfort for the survivors. Consequently, many families today have chosen to forego the planning of a memorial service for their loved one.

At NCC we specialize in arranging meaningful services that are as unique as your loved one. Let our experienced staff help you plan a service that truly reflects who your loved one was and one that will give meaning to their life and memory.

Why Preplan My Cremation?

- **Eliminates Emotional Overspending**
Statistics show that families are more likely to overspend when making arrangements after a death.
- **Eliminates Stress Induced Decisions**
There are over 70 decisions made when planning a cremation service.
- **Eliminates Family Conflicts**
Getting the whole family to agree on decisions can sometimes be difficult and cause hurt feelings.
- **Eliminates Financial Burden**
You can have peace of mind by prefunding your plan and locking-in today's price.
- **It's Easy & Takes Less Than 1 Hour**
You'll be glad you did it, and so will your family.
