## Why Have A Service?

Since the beginning of time, we have set aside time and resources to honor the life and passing of someone dear to us. A well planned service can be a source of great comfort to those left behind.

Sadly, many memorial services today have failed to reflect the uniqueness of the one who has passed or have failed to provide meaning and comfort for the survivors. Consequently, many families today have chosen to forego the planning of a memorial service for their loved one.

As the exclusive provider of Life Celebration in Northern Colorado, we specialize in arranging meaningful services that are as unique as your loved one. Let our experienced staff help you plan a service that truly reflects your loved one's life and honors their memory.
